## Taste the Difference

Our meals are taste-tested by the toughest critics of them all students- because we strive to make every meal, we serve a special part of their day. Our Healthy delicious house made meals have students coming back for seconds!

## Balanced Nutritious Meals

Our meals meet or exceed the USDA Child Nutrition standards. Our registered dietitian and our procurement team thoughtfully source our food products that include a variety of locally grown seasonal produce, grains, and proteins.

## Dedicated Customer Support Team

What makes us different aside from our great food is our amazing customer support team. We have a combined total of over 50+ years of K12 food service experience. Unity Meals provides you with a dedicated customer service representative.

## Compliance Support

We provide you with everything you need to keep in compliance. We have years of experience working with school districts to ensure audit compliance. Our online Portal makes ordering easy.

## Food Safety & Waste Reduction

Food safety and quality are our top priorities. We follow strict HACCP and GMP guidelines throughout our food supply chain. We work with our sites to reduce waste and help the environment as well as using bio degradable single serve items.

## Programs We Serve

SBP, NSLP, CACFP, SSO, & SFSP. Unity Meals has been serving nutrition programs for over 15 years.
